ALMADEX MINERALS ANNOUNCES INCREASE TO PREVIOUSLY ANNOUNCED PROPOSED PRIVATE PLACEMENT

Vancouver, B.C. Almadex Minerals Limited ("Almadex" or the "Company"; TSX-V: AMZ; OTCQB: AXDDF) is pleased to announce that the Company has increased the size of its previously announced proposed non-brokered private placement financing (the "Offering") to up to approximately 2,600,000 units (the "Units") to raise up to approximately \$3,500,000 at a price of \$1.35 per Unit.

As previously announced, each Unit will consist of one common share of the Company and one-half of one whole non-transferable common share purchase warrant, each whole share purchase warrant (a "Warrant") entitling the holder thereof to purchase one common share of the Company at a price of \$2.00 per share for a period of thirty (30) months following the closing of the Offering.

Closing of the Offering is subject to regulatory approval. Any securities issued in connection with the Offering will be subject to a four month hold period in Canada.

About Almadex

Almadex Minerals Limited is an exploration company that holds a large mineral portfolio consisting of projects and NSR royalties in Canada, the U.S. and Mexico. This portfolio is the direct result of over 35 years of prospecting and deal-making by Almadex and, prior to its spinout, by Almaden Minerals Ltd.

On behalf of the Board of Directors,

Forward-Looking Information

This release includes certain statements that may be deemed "forward-looking statements". All statements in this release, other than statements of historical facts, that address exploration drilling and other activities and events or developments that Almadex Minerals Limited ("Almadex") expects to occur, are forward-looking statements. Forward-looking statements in this news release include statements regarding the Offering and future exploration plans and expenditures. Although Almadex believes the expectations expressed in such forward-looking statements are based on reasonable assumptions, such statements are not guarantees of future performance and actual results or developments may differ materially from those forward-looking statements. Factors that could cause actual results to differ materially from those in forward looking statements include market prices, exploration successes, and continued availability of capital and financing and general economic, market or business conditions. These statements are based on a number of assumptions including, among other things, assumptions regarding general business and economic conditions, the timing and receipt of regulatory and governmental approvals for the transactions described herein, the ability of Almadex and other parties to satisfy stock exchange and other regulatory requirements in a timely manner, the availability of financing for Almadex's proposed transactions and programs on reasonable terms, and the ability of third party service providers to deliver services in a timely manner. Investors are cautioned that any such statements are not guarantees of future performance and actual results or developments may differ materially from those projected in the forward-looking statements. Almadex does not assume any obligation to update or revise its forward-looking statements, whether as a result of new information, future events or otherwise, except as required by applicable law.
