MANAGEMENT INFORMATION CIRCULAR
AS AT AND DATED MAY 19, 2021
(unless otherwise noted)

This Management Information Circular (“**Information Circular**”) accompanies the Notice of the 2021 Annual General Meeting (“**Notice of Meeting**”) of holders of common shares (“**shareholders**”) of **Azucar Minerals Ltd.** (the “**Company**”), scheduled to be held on June 29, 2021 (the “**Meeting**”) and is furnished in connection with a solicitation of proxies for use at that Meeting and at any adjournment or postponement thereof.

PERSONS OR COMPANIES MAKING THE SOLICITATION

THE FORM OF PROXY ACCOMPANYING THIS INFORMATION CIRCULAR
IS BEING SOLICITED BY MANAGEMENT OF THE COMPANY

Solicitations will be made by mail and possibly supplemented by telephone, electronic means or other personal contact to be made without special compensation by directors, officers and regular employees of the Company. The Company does not reimburse shareholders’ nominees or agents for the cost incurred in obtaining from their principals authorization to execute forms of proxy. It is not anticipated that any solicitation will be made by specially engaged employees or soliciting agents. The cost of solicitation will be borne by the Company. No director of the Company has informed Management in writing that they intend to oppose any action intended to be taken by Management at the Meeting.

No person has been authorized to give any information or to make any representation other than as contained in this Information Circular in connection with the solicitation of proxies. If given or made, such information or representation must not be relied upon as having been authorized by the Company. The delivery of this Information Circular shall not create, under any circumstances, any implication that there has been no change in the information set forth herein since the date of this Information Circular. This Information Circular does not constitute the solicitation of a proxy by anyone in any jurisdiction in which such solicitation is not authorized, or in which the person making such solicitation is not qualified to do so, or to anyone to whom it is unlawful to make such an offer of solicitation.

APPOINTMENT OF PROXYHOLDER

Only shareholders whose names appear on the records of the Company (“registered shareholders”) or duly appointed proxyholders are permitted to vote at the Meeting. Those registered shareholders so desiring may be represented by proxy at the Meeting. The persons named in the form of proxy accompanying this Information Circular are directors and/or officers of the Company (“**Management Appointees**”). **A registered shareholder has the right to appoint a person or company (who, subject to the exceptions in the Company’s Articles, must be a shareholder) to attend and act on the registered shareholder’s behalf at the Meeting other than the Management Appointees.** To exercise this right, the shareholder must

either insert the name of the desired person or company in the blank space provided in the form of proxy accompanying this Information Circular and strike out the names of the Management Appointees or submit another proper form of proxy.

NON-REGISTERED SHAREHOLDERS

Only registered shareholders or duly appointed proxyholders are permitted to vote at the Meeting. Most shareholders of the Company are not registered shareholders because the shares they own are not registered in their names. More particularly, a person is not a registered shareholder in respect of shares which are held on behalf of that person (the “**Non-Registered Holder**”) but which are registered either: (a) in the name of an intermediary (an “**Intermediary**”) that the Non-Registered Holder deals with in respect of the shares including, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSP’s, RRIF’s, RESP’s and similar plans; or (b) in the name of a clearing agency (such as The Canadian Depository for Securities Limited (“**CDS**”)) of which the Intermediary is a participant. In accordance with current securities regulatory policy, the Company has distributed proxy-related materials for the Meeting (collectively, the “**Meeting Materials**”) to the clearing agencies and Intermediaries.

Current securities regulatory policy requires Intermediaries to forward the Meeting Materials to, and to seek voting instructions from, Non-Registered Holders unless a Non-Registered Holder has waived the right to receive them. Intermediaries will often use service companies to forward the Meeting Materials to Non-Registered Holders. Generally, Non-Registered Holders who have not waived the right to receive Meeting Materials will either:

- (a) be given a form of proxy **which has already been signed by the Intermediary** (typically by a facsimile, stamped signature), which is restricted as to the number of shares beneficially owned by the Non-Registered Holder but which is otherwise not completed. Because the Intermediary has already signed the form of proxy, this form of proxy is not required to be signed by the Non-Registered Holder when submitting the proxy. In this case, the Non-Registered Holder who wishes to submit a proxy should otherwise properly complete this form of proxy and **submit it to the Company, c/o Computershare Investor Services Inc., Proxy Department, 100 University Avenue, 8th Floor, Toronto, Ontario, M5J 2Y1, fax number: 1 (416) 263-9261; or**
- (b) more typically, be given a voting instruction or proxy authorization form **which is not signed by the Intermediary**, and which, when properly completed and signed by the Non-Registered Holder and **returned to the Intermediary or its service company (such as Broadridge Financial Solutions Inc.)**, will constitute voting instructions (often called a “**proxy authorization form**”) which the Intermediary must follow. Typically, the proxy authorization form will consist of a one page pre-printed form. Sometimes, instead of the one page pre-printed form, the proxy authorization form will consist of a regular printed proxy form accompanied by a page of instructions which contains a removable label containing a bar-code and other information. In order for this proxy form to validly constitute a proxy authorization form, the Non-Registered Holder must remove the label from the instructions and affix it to the proxy form, properly complete and sign the proxy form and return it to the Intermediary or its service company, or otherwise communicate voting instructions to the Intermediary or its service company (by way of telephone or the Internet, for example) in accordance with the instructions of the Intermediary or its service company. **A Non-Registered Holder cannot use a proxy authorization form to vote shares directly at the Meeting.**

In either case, the purpose of this procedure is to permit Non-Registered Holders to direct the voting of the shares which they beneficially own.

The Meeting Materials are being sent to both registered and non-registered owners of shares. If you are a Non-Registered Holder and the Company or its agent has sent the Meeting Materials directly to you as a non-objecting beneficial owner under National Instrument 54-101 *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“**NI 54-101**”), your name and address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the Intermediary holding shares on your behalf. By choosing to send the Meeting Materials to you directly, the Company (and not the Intermediary holding shares on your behalf) has assumed responsibility for (i) delivering the Meeting Materials to you, and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions. Management of the Company does not intend to pay for Intermediaries to forward to objecting beneficial owners under NI 54-101 the Meeting Materials and Form 54-101F7 – *Request for Voting Instructions Made by Intermediary*, and in the case of an objecting beneficial owner, the objecting beneficial owner will not receive the Meeting Materials unless the Intermediary holding shares on behalf of the objecting beneficial owner assumes the cost of delivery. The Company does not reimburse Intermediaries, CDS or agents for the costs incurred in obtaining authorization from Non-Registered Holders to execute forms of proxy.

Non-Registered Holders cannot be recognized at the Meeting for purposes of voting their shares in person or by way of depositing a form of proxy. If you are a Non-Registered Holder and wish to vote in person at the Meeting, please see the voting instructions you received or contact your Intermediary well in advance of the Meeting to determine how you can do so.

Non-Registered Holders should carefully follow the voting instructions they receive, including those on how and when voting instructions are to be provided, in order to have their shares voted at the Meeting.

DEPOSIT AND VOTING OF PROXIES

To be effective, the instrument of proxy must be dated and signed by the registered shareholder or by the registered shareholder’s attorney authorized in writing. In the case of a registered shareholder that is a corporation, the proxy must be dated and executed under its corporate seal or signed by the authorized representative, a duly authorized person or attorney for the corporation. A corporation may appoint, by instrument in writing, a person to act as its authorized representative at the Meeting and for that purpose, the instrument appointing the authorized representative must be received at the same place and at least the number of days specified to receive the proxies or be deposited with the Chairman of the Meeting, or a person designated by the Chairman of the Meeting, prior to commencement of the Meeting. (See also the accompanying form of proxy for instructions as to the use of telephone and internet voting). Completed forms of proxy, together with the power of attorney or other authority, if any, under which it is signed or a notarially certified copy thereof, must be deposited either at the office of Computershare Investor Services Inc., Proxy Department, 100 University Avenue, 8th Floor, Toronto, Ontario, M5J 2Y1, or at the Head Office of the Company at Suite 210, 1333 Johnston Street, Vancouver, British Columbia, Canada V6H 3R9, not less than 48 hours, Saturdays, Sundays and holidays excepted, prior to the time of the holding of the Meeting or any adjournment or postponement thereof, or with the Chairman of the Meeting, or with a person designated by the Chairman of the Meeting, prior to the commencement of the Meeting. Late proxies may be accepted or rejected by the Chairman of the Meeting in the Chairman’s discretion, and the Chairman is under no obligation to accept or reject any particular late proxy.

THE SHARES REPRESENTED BY A PROPERLY EXECUTED AND DEPOSITED PROXY WILL BE VOTED OR WITHHELD FROM VOTING ON EACH MATTER REFERRED TO IN THE NOTICE OF MEETING IN ACCORDANCE WITH THE INSTRUCTIONS GIVEN (PROVIDED SUCH INSTRUCTIONS ARE CERTAIN) ON ANY BALLOT THAT MAY BE CALLED FOR AND, IF A CHOICE IS SPECIFIED WITH RESPECT TO ANY MATTER TO BE ACTED UPON AT THE MEETING, THE SHARES WILL BE VOTED OR WITHHELD FROM VOTING ACCORDINGLY. **WHERE NO CHOICE IS SPECIFIED IN RESPECT OF ANY MATTER TO BE ACTED UPON, THE PROXY CONFERS ON THE PROXYHOLDER DISCRETIONARY AUTHORITY WITH RESPECT TO SUCH MATTER AND, IF ONE OF THE MANAGEMENT APPOINTEES IS NAMED IN THE FORM OF PROXY TO ACT AS THE SHAREHOLDER'S PROXYHOLDER, THE SHARES REPRESENTED BY THE PROXY WILL BE VOTED IN FAVOUR OF ALL SUCH MATTERS.** THE FORM OF PROXY ACCOMPANYING THIS INFORMATION CIRCULAR GIVES THE PERSON OR COMPANY NAMED AS PROXYHOLDER DISCRETIONARY AUTHORITY REGARDING AMENDMENTS OR VARIATIONS TO MATTERS IDENTIFIED IN THE NOTICE OF MEETING AND OTHER MATTERS THAT MAY PROPERLY COME BEFORE THE MEETING OR ANY ADJOURNMENT OR POSTPONEMENT THEREOF, UNLESS PROHIBITED BY LAW. IN THE EVENT THAT AMENDMENTS OR VARIATIONS TO MATTERS IDENTIFIED IN THE NOTICE OF MEETING ARE PROPERLY BROUGHT BEFORE THE MEETING OR ANY OTHER BUSINESS IS PROPERLY BROUGHT BEFORE THE MEETING, IT IS THE INTENTION OF THE MANAGEMENT APPOINTEES TO VOTE IN ACCORDANCE WITH THEIR BEST JUDGMENT ON SUCH MATTERS OR BUSINESS ON ANY BALLOT THAT MAY BE CALLED FOR. AT THE TIME OF PRINTING THIS INFORMATION CIRCULAR, MANAGEMENT KNOWS OF NO SUCH AMENDMENTS, VARIATIONS OR OTHER MATTERS WHICH MAY BE BROUGHT BEFORE THE MEETING.

REVOCABILITY OF PROXY

In addition to revocation in any other manner permitted by law, a proxy may be revoked by instrument in writing executed by the registered shareholder or the registered shareholder's attorney authorized in writing, or if the registered shareholder is a corporation, by a duly authorized officer or attorney thereof, and deposited either at the registered office of the Company at any time up to and including the last business day preceding the day of the Meeting, or any adjournment or postponement thereof, or deposited with the Chairman of the Meeting, or with a person designated by the Chairman of the Meeting, prior to the commencement of the Meeting, or any adjournment or postponement thereof, and upon either of such deposits the proxy is revoked.

Only registered shareholders have the right to revoke a proxy. Non-Registered Holders who wish to change their vote must arrange for their Intermediaries to revoke the proxy on their behalf.

VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

The Company's authorized share structure consists of an unlimited number of Common Shares without par value. There are 73,829,025 Common Shares issued and outstanding as at the date of this Information Circular. The directors have determined that all shareholders of record as of the 19th day of May, 2021 (the "**Record Date**") will be entitled to receive notice of and to vote at the Meeting. A quorum for the Meeting is two individuals who are shareholders, proxy holders representing shareholders or duly authorized representatives of corporate shareholders personally present and representing shares aggregating not less than 10% of the issued shares of the Company carrying the right to vote at the Meeting.

At a General Meeting of the Company, on a show of hands, every registered shareholder entitled to vote and present in person, by proxy or by authorized representative has one vote and on a

ballot, every registered shareholder entitled to vote on that ballot has one vote for every whole share held by that shareholder and a fractional vote in proportion to any fraction of a share held by that shareholder. Shares represented by proxy will only be voted as to the number of shares represented if a poll or ballot is called for. A poll or ballot may be requested by a registered shareholder or proxyholder present and entitled to vote at the Meeting or required because the number of votes attached to shares represented by proxies that are to be voted against a matter is greater than 5% of the votes attached to all shares that are entitled to be voted and to be represented at the Meeting.

To the knowledge of the directors or executive officers of the Company, as at the date of this Information Circular, no person or company beneficially owns, or controls or directs, directly or indirectly, voting securities carrying 10% or more of the outstanding voting rights attached to all shares of the Company other than Newcrest Canada Holdings Inc., a wholly owned subsidiary of Newcrest International Pty Ltd., (a wholly owned subsidiary of Newcrest Mining Limited (ASX: NCM)) which beneficially owns and controls 14,674,056 common shares of the Company representing 19.9% of the issued common shares of the Company.

(2) None of these compensation securities have been repriced, cancelled and replaced, had its term extended or otherwise been materially modified in the most recently completed financial year and there are no vesting provisions of these compensation securities nor any restrictions or conditions for converting, exercising or exchanging the compensation securities other than that they must be exercised within the time limited therefor.

During fiscal year 2020, no directors or NEOs exercised any compensation securities.

Stock option plans and other incentive plans

The Company has a Stock Option Plan (the “**Plan**”) in place for the purpose of attracting and motivating directors, officers, employees and consultants of the Company and advancing the interests of the Company by affording such persons the opportunity to acquire an equity interest in the Company through rights granted under the Plan. The Plan is a “rolling” plan that provides that the aggregate number of shares reserved for issuance under it, and all of the Company’s other previously established and outstanding incentive stock option plans or grants, is 10% of the Company’s issued common shares at the time of the grant of a stock option under the Plan. There are no stock option agreements made outside of the Plan nor any plan providing for the grant of stock appreciation rights, deferred share units or restricted stock units nor any other incentive plan or portion of a plan under which awards are granted.

Under the Plan, the option exercise price must not be less than the closing price of the common shares on the TSX Venture Exchange (the “**Exchange**”) on the day immediately preceding the date of grant, less the applicable discount permitted by the policies of the Exchange. An option granted under the Plan must be exercised within the period permitted by the policies of the Exchange, which is currently a maximum of 10 years from the date of granting. Within this period, the Board of Directors of the Company may determine the limitation period during which an option may be exercised and, notwithstanding that none is required by the policies of the Exchange otherwise than for persons performing investor relations services because the Plan is a “rolling” plan, whether a particular grant will have a minimum vesting period. As a “rolling” plan, any amendment to the Plan other than for a limited number of circumstances will require the approval of the Exchange and may require shareholder approval.

Employment, Consulting and Management Agreements

The Company is party to an administrative services agreement (the “**Administrative Services Agreement**”) dated May 15, 2015, as amended December 16, 2015, with Almaden Minerals Ltd. (“Almaden”) pursuant to which Almaden is engaged and appointed the Company’s sole and exclusive manager and provides office space, executive management, marketing support, technical oversight, and financial/corporate secretary duties, amongst other administrative services, billed on a monthly basis. Monthly billings are based on an allocation of approximately 60% (2019 – 40%) of the salary and employment expenses of existing Almaden staff (Chairman, President and CEO, VP Corporate Development, CFO, Senior Geologist, Controller, Administrator, Marketing support) and 60% (2019 – 40%) of rent, or approximately \$78,000 (2019 - \$53,000) per month. The Administrative Services Agreement provides for adjustment of expenses and rent based on reasonable estimates of time allocation between the Company and Almaden (i.e., an exploration discovery by the Company could significantly change the proportion of executive time required to be spent on the Company). Any additional expenses (such as IT expenses, office supplies, etc.) are charged monthly at cost. The Administrative Services Agreement has an initial five year term, subject to automatic renewal annually thereafter (unless six months’ advance notice of intent to terminate is given). The Administrative Services Agreement includes a Change of Control clause. If either party is subject to a Change of Control during the term of the Administrative Services Agreement, the Administrative Services Agreement shall automatically terminate within 48 hours of the Change of Control unless agreed to in writing by both parties. The target of the Change of Control shall then pay the other party \$2 million as compensation for the unplanned termination of Almaden’s engagement and significant disruption to the Company’s business. “Change of Control” means the date upon which, without the written concurrence of the target of the Change of Control, any person (as that term is defined in the *Securities Act* (British Columbia) makes and does not withdraw a take-over bid (as that term is defined in the *Securities Act* (British Columbia)) or acquires, directly or indirectly, that number of common shares of the target which equals or exceeds twenty percent (20%) of the then issued common shares of the target. During the most recently completed financial year, compensation paid to the NEOs was paid by Almaden and charged back to the Company pursuant to the terms of the Administrative Services Agreement with the exception of grants of stock options by the Company.

Almaden is a reporting company whose shares are listed on the Toronto Stock Exchange and NYSE American. The NEOs and 5 of the 7 directors of the Company are officers and/or directors of Almaden.

Oversight and Description of Director and Named Executive Officer Compensation

The compensation committee of the Board of Directors (the “**Compensation Committee**”) exercises general responsibility regarding overall compensation of NEOs and directors of the Company. In assessing the compensation of its NEO’s, including the CEO and the CFO, the Company does not have in place any formal compensation objectives, criteria or analysis; instead, it relies mainly on Board discussion. The Company’s compensation policy with respect to NEO’s is designed to recognize and reward individual performance and the specific roles and responsibilities of different executive positions as well as to provide a competitive level of compensation. The Company does not have a pension plan or any other form of retirement compensation.

The Company’s compensation plan consists of (i) base salary, (ii) a discretionary bonus plan, and (iii) stock options. The Compensation Committee and the Board of Directors is aware that Canadian Securities Administrators regard incentive stock options as compensation in the year of grant and are also cognizant of the TSX Venture Exchange’s statement in its Policy 4.4 that “incentive stock options are a means of rewarding optionees for future services provided to the Issuer. They are not intended as a substitute for salaries or wages, or as a means of compensation for past services rendered”. The Company believes the elements and objectives of its compensation practices are consistent with the intent of the objectives of the regulators and necessary in a competitive market for qualified personnel.

Base salaries for NEO’s of the Company are evaluated and established to retain executives with experience and skills required to achieve strategic and organizational goals. In the past, base salaries have been reviewed in connection with similar industry and size companies and current market demands for skilled personnel. Subsequent individual and corporate performance are also taken into account.

Incentive bonuses, in the form of cash payments, are designed to add a variable component of compensation based on Company and individual performance for NEOs. Cash incentive bonuses are awarded to NEOs based on performance, attainment of strategic objectives, development of project objectives, and the operating performance of assets related to the fiscal year. Cash flow objectives and reserve growth objectives were considered in the context of available capital and a changing regulatory environment.

Director compensation for non-NEO directors has been made in the form of directors’ fees proposed by management and discussed by the Board at the inception of the years presented. The amounts determined have been made on the basis of the remuneration designed to cover attendance at meetings, principally for meetings regularly scheduled for each year. Non-NEO directors have not been awarded non-equity incentive compensation for the years presented. From time to time, the Board has elected not to take the recommendations of management in the case of non-NEO directors’ fees.

It is the Company’s intent for stock options to continue to be the principal form of long-term variable compensation incentive. Implementation of a new incentive Stock Option Plan and amendments to the existing Stock Option Plan are the responsibility of the Compensation Committee. The Company takes into consideration outstanding options in granting new options. The amounts of options granted are related to individual performance and are used as incentives to attract, retain and motivate a highly qualified staff. They are not intended as a substitute for salaries or wages, or as a means of compensation for past services rendered.

Based on the recommendations of the Compensation Committee, the Board of Directors determines the compensation in the form of stock options to its NEO’s, as well as to its directors.

Stock options are granted in accordance with the Company's Stock Option Plan at an exercise price of not less than the closing price on the TSX Venture Exchange of the Common Shares on the date of the grant of such options, less permitted discount, if any. The Stock Option Plan provides that the aggregate number of common shares subject to options under the Stock Option Plan shall not exceed 10% of the common shares issued and outstanding of the Company. The normal term of the options is two years from the date of grant. In the event of death of an optionee, the optionee's estate may exercise options held by the deceased optionee for a period of 12 months following the date of death or the expiry date, whichever is earlier, and in the event of permanent disability of an optionee, such optionee may exercise options held by such optionee for a period of 6 months after the date of permanent disability or the expiry date, whichever is earlier, and if an optionee's employment, office, term as a director or engagement as a consultant is ended or expires otherwise than by termination for cause or by removal, such optionee may exercise options held by such optionee for a period of 30 days following the effective date of such resignation or the expiry date, whichever is earlier.

Pension Disclosure

The Company does not provide a pension to a director or named executive officer.

3. 2021 Rolling Stock Option Plan

At the Meeting, the shareholders will be asked to approve the Company’s proposed 2021 Rolling Stock Option Plan (the “**2021 Plan**”). The policies of the TSX Venture Exchange (the “**Exchange**”) require shareholder approval of rolling stock option plans yearly.

The principal purposes of the 2021 Plan are to provide the Company with the advantages of the incentive inherent in share ownership on the part of employees, officers, directors and consultants responsible for the continued success of the Company; to create in such individuals a proprietary interest in, and a greater concern for, the welfare and success of the Company; to encourage such individuals to remain with the Company; and to attract new employees, officers, directors and consultants to the Company. Furthermore, the 2021 Plan is expected to benefit shareholders by enabling the Company to attract and retain skilled and motivated personnel by offering such personnel an opportunity to share in any increase in value of the Common Shares resulting from their efforts.

The 2021 Plan is a “rolling” plan that provides that the aggregate number of shares reserved for issuance under it, and all of the Company’s other previously established and outstanding incentive stock option plans or grants, is 10% of the Company’s issued Common Shares at the time of the grant of a stock option under the 2021 Plan.

Under the 2021 Plan, the option exercise price must not be less than the closing price of the common shares on the Exchange on the day immediately preceding the date of grant, less the applicable discount permitted by the policies of the Exchange. An option granted under the Plan must be exercised within the period permitted by the policies of the Exchange, which is currently a maximum of 10 years from the date of granting. Within this period, the Board of Directors of the Company may determine the limitation period during which an option may be exercised and, notwithstanding that none is required by the policies of the Exchange otherwise than for persons performing investor relations services because the 2021 Plan is a “rolling” plan, whether a particular grant will have a minimum vesting period. As a “rolling” plan, any amendment to the 2021 Plan will require the approval of the Exchange and may require shareholder approval.

In accordance with the policies of the Exchange and the terms of the 2021 Plan, it is subject to its acceptance for filing by the Exchange and the approval of the Company’s shareholders annually. Under the policies of the Exchange, if the grants of options under the 2021 Plan, together with all of the Company’s outstanding incentive stock options, could permit at any time in:

- (a) the aggregate number of shares reserved for issuance pursuant to stock options granted to insiders of the Company (as a group) exceeding 10% of the issued Common Shares of the Company;
- (b) the grant to insiders of the Company (as a group), within a 12-month period, of an aggregate number of options exceeding 10% of the issued Common Shares of the Company, calculated on the date an option is granted to any insider of the Company; or
- (c) the aggregate number of options granted to any one person (and companies wholly owned by that person) within a 12-month period exceeding 5% of the issued Common Shares of the Company;

“disinterested shareholder approval” must be obtained.

The term “**disinterested shareholder approval**” means approval by a majority of the votes cast at the Meeting other than votes attaching to shares of the Company beneficially owned by insiders of the Company to whom options may be granted under the 2021 Plan and associates of such persons. The term “insiders” is defined in the policies of the Exchange and generally includes directors and senior officers of the Company and its subsidiaries and holders of greater than 10% of the voting securities of the Company. The term “associates” is also defined in the policies of the Exchange.

As the 2021 Plan does not permit these limits to be exceeded, the Company will be seeking shareholder approval but not disinterested shareholder approval of the 2021 Plan.

The policies of the Exchange also provide that “disinterested shareholder approval” will be required for any individual stock option grant that would result in any of the limitations set forth in a), b) or c) above being exceeded as the 2021 Plan does not permit these limits to be exceeded, and any amendment to stock options held by insiders of the Company that would have the effect of decreasing the exercise price of such stock options, but no such grants or amendments are being brought before the Meeting.

If shareholder approval of the 2021 Plan or a modified version thereof is not obtained, the Company will not implement the 2021 Plan and will not grant options under it. Even if approved, the directors may determine not to implement the 2021 Plan.

The 2021 Plan will be available for inspection at the Meeting. Management of the Company considers it desirable and in the best interests of the Company to implement the 2021 Plan for the granting of future stock options to directors, officers, employees and consultants and recommends that the shareholders approve the 2021 Plan.

MANAGEMENT IS NOT AWARE OF ANY OTHER MATTER TO COME BEFORE THE MEETING OTHER THAN AS SET FORTH IN THE NOTICE OF MEETING. IF ANY OTHER MATTER PROPERLY COMES BEFORE THE MEETING, IT IS THE INTENTION OF THE MANAGEMENT APPOINTEES TO VOTE THE SHARES REPRESENTED BY THE FORM OF PROXY ACCOMPANYING THIS INFORMATION CIRCULAR ON ANY BALLOT THAT MAY BE CALLED FOR IN ACCORDANCE WITH THEIR BEST JUDGMENT ON SUCH MATTER.
